

# QUARTZ FLOORING SYSTEM

## A Renovation Reality!

Give new life and style to existing surfaces by creating the look of granite. Transform your garage, patio, pool deck, kitchen, showroom, warehouse and so much more.

- Elegant and versatile flooring
- Multiple colour selections
- Slip resistant
- Low maintenance
- Durable coating
- Excellent resistance to chemicals, oils, and UV exposure
- High-quality proven products for long-term wear
- Both traditional and fast setting formulations
